An orientation workshop meeting is being held for members of the MAG POPTAC and other representatives of MAG member agencies who wish to obtain a more detailed understanding of why MAG develops socioeconomic estimates and projections, the methods used to prepare them and the roles of the MAG POPTAC in the estimates and projections process. The objective is to enhance your understanding of the process and encourage active participation in MAG POPTAC activities. New members of the MAG POPTAC should find it particularly beneficial to attend the workshop.

Please RSVP by calling Elaine Trammell at (602) 254-6300 or e-mailing her at etrammell@mag.maricopa.gov if you will be attending the workshop. If you have any questions or need additional information, please contact Ms. Trammell.
